Dear literacy convenor/learning support teacher,  
Welcome to our **2016 Hi-Lo Readers' Buying Guide!** This guide is for learning support and literacy convenors requiring **high-interest, low-fluency** readers. These readers can be used with upper primary, adolescent classes, adult classes, indigenous literacy groups, general ESL classes, refugees learning English, and students with a low-reading fluency age. We have reviewed each title and made sure that the content is interesting, not an early childhood level story, has knowledge content and useful information if non-fiction.

Our Hi-Lo Readers are selected with a range of text types and are bundled by **Reading Recovery** level, with each pack covering five levels.

We offer the following options:

- **20-packs:** 20 titles, four titles per level — **save 15% off RRP!**
- **10-packs:** 10 titles, two titles per level — **save 10% off RRP!**

You can save even further by taking advantage of our **Bundle Deals** which will give you **20% off RRP!** See order form on opposite page for bundles and prices.

Buying from Network Educational Australia gives you these important advantages:

- **Quality** - we always select the best on offer. We include publishers who have the latest titles addressing ACARA requirements.
- **Price** - we pass on all our savings when bulk-ordering in the form of special prices for you to make your budget stretch and stretch.
- **Range** - we deal with an extensive range so your students have variety in the illustrations, colouring, art and style as well as genre, text types and style.
- The readers are supported by **Hi-Lo Lessons Teacher Guides**. These are included in each 20-pack and contain 40 pages of activities. Turn to page 23 for page samples and features.

Fill in the order form on the opposite page or order online at **www.network-ed.com.au**. Join our online 'rewards' program to get further discounts when re-ordering.

**About the cover:**

The covers for this Hi-Lo and Guided Reader Buying Guide were designed by Dean Maynard, and were inspired by the Art Deco style and modernist trends. This celebration of old styles is designed to remind us all of our traditions and that, as with reading, our cultural traditions remain both relevant and extremely important.
