TAKE HOME READERS BUYING GUIDE

**NETWORK
EDUCATIONAL
AUSTRALIA**

est. 1982

Early Childhood teacher,
Literacy convener/ teacher,
The Librarian,
Learning Support.

Dear teacher,

Welcome to our best-selling range of **Take Home Reader** packs for 2016! We are very pleased to continue to source from our broad publishing range new exciting and value-priced titles. This is our **13th Edition** and our best to date! Our best-sellers value packs continue to grow in range and excitement for your students.

We provide you with quality books, the best publishers, various genres, and text types which cover the Australian National Curriculum literacy requirements. With a variety of fiction and non-fiction across a wide range of text types and levels, our levelled take home reader library will be suitable for all of your class's various literacy needs and levels. Students can progress at their own pace unhindered by others in the class. This year we have taken on new publishers as well as new titles from existing publishers. The range is exciting and beneficial for your students from starting reading to improving their fluency. These books are challenging, engaging and high quality at the best prices!

Buying from Network gives you these important advantages:

- **Quality** - we always select the best on offer. We include publishers who have the latest titles addressing ACARA requirements.
- **Price** - we pass on all our savings when bulk-ordering in the form of special prices for you to make your budget stretch and stretch.
- **Range** - we deal with an extensive range so your students have variety in the illustrations, colouring, art and style as well as genre, text types and style.

Send one easy order to us and we will take care of all your requirements. Fill in the easy order on the back of this buying guide or order online at **www.network-ed.com.au**. Join our 'rewards' program online to get further discounts when re-ordering.

Questions? Call our friendly and experienced staff for any special needs and queries. We look forward to hearing from you!

Happy Teaching and Best Wishes,

Rob Watts
Managing Director

About the cover:

The cover of this Take Home Reader Buying Guide is a fusion of 1920's French Art Deco with modern educational icons, with Dean Maynard's design being inspired by the Paris Air Show poster of the 1920's. This combination of old and new represents the very heart of Western cultural expression, in the French style.

Key: F – Fiction; NF – Non-fiction **NEW** – New to the Buying Guide for 2016

Network Educational Australia's Take Home Reader Value Packs

have been a classroom favourite for years now!

- Each **Value Pack** contains 20 titles, with a Value Pack available at each level from **1-30**.
- Titles are selected with an even mix of **series, text types** and **fiction** and **non-fiction** genres in mind.
- Designed to cater for **larger groups**, classes and schools requiring a wide variety of reading material at each level.
- Your **affordable solution** for bulk levelled readers with an excellent **variety** of material.

In response to popular request from our customers, **Network Educational Australia** introduced our **Value MultiPacks** in 2010.

Due to their overwhelming popularity, we are pleased to offer them once again in 2016!

- Each **Value MultiPack** contains 20 titles, including four titles per level across five levels.
- Titles are selected with an even mix of **series, text types** and **fiction** and **non-fiction** genres in mind.
- Designed to cater for **smaller groups** and classes with a broader range of reading levels.
- Makes implementing a guided reading program **more affordable** on a limited budget.

Every morning Daniel rode through the park.

Then I used Mum's hair dryer. I tried to blow his legs apart. Poor Webster flew into the kitchen and crash-landed in the butter.

"Get that spider out of here," Mum yelled. "Bubblegum isn't good for children or spiders. Bubblegum isn't good for donkeys. It isn't good for anyone."
